Comm. Amdt. _____

AMEND Senate Bill No. 1870

House Bill No. 877*

by deleting subsection (d) of the amendatory language of Section 2 in its entirety and by substituting instead the following:

(d) There is created within the department of labor and workforce development the office of employment verification assistance. The department is authorized to hire such staff as necessary to comply with the sections of this act. The office of employment verification assistance shall provide assistance to employers in this state in complying with the sections of this act including by obtaining employment verification on behalf of those employers who do not have access to the Internet. Before the office of employment verification assistance obtains employment verification on behalf of an employer, that employer shall be required to sign a form developed by the department attesting to the employer's lack of access to the Internet.

AND FURTHER AMEND by adding the following as new subsections to be appropriately designated to the amendatory language of Section 2:

() The office of employment verification assistance shall report on the affect of this act at six (6) month intervals with the first report to be published six (6) months after the effective date of this act. A copy of the report shall be distributed by hand delivery or regular mail to the governor, governor's cabinet, the general assembly, county and city mayors, and to each person as defined in section 2(a)(3). The report shall be available on the office of employment verification assistance's website.

() The office of employment verification assistance shall conduct one (1) training session for employers in each grand division of the state for the purposes of compliance with this act. Employers shall be notified of the training sessions

fifteen (15) days prior to the session's date. The sessions must be offered in-person and by teleconference and Internet and must be conducted by staff of the state's office of employment verification assistance trained in usage of the basic pilot program. All training sessions must be completed within ninety (90) days after the effective date of this act.
